Dear Mike:

I am writing with a simple request. Sometime during the BDAC meeting next week, I ask that you set aside time for a brief presentation and discussion on the historic San Diego - IID MOU which was signed just a couple of weeks ago. I know that you are well-briefed on its significance, but I would venture to say that a number of our fellow Commissioners are ignorant of even its most obvious ramifications, not only for the immediate participants but for the health of the Bay/Delta estuary.

For your information, a copy of EDF's views on the matter is enclosed. If you set aside the agenda time I have requested, I would be pleased to distribute copies of EDF's letter to the Council.

Sincerely yours,

Thomas J. Graff
